

# Family project

Madysen, 9 Atwater, CA

“Let’s Say Thanks” is a national program sponsored by the Xerox Corporation designed to honor our soldiers across the country and overseas. Patriotic and hometown themed postcards designed from actual children’s drawings are produced by Xerox to send messages of thanks and encouragement on an ongoing basis to our troops.

Let’s Say Thanks is not a politically based program, but rather a chance to share compassion for others with your family. Log onto the program website at: [www.letsaythanks.com](http://www.letsaythanks.com).
